Topics of Discussion:

Ongoing Business:

Meeting Minutes: No minutes were approved

Campus Wide Recycling Initiative: Roll out of the pilot program has taken place in the WA and L Buildings. Small issues reported by Jacob concerning overflow trash being placed in recycling dumpster at L.

The next phase of the initiative is to roll out a CFCC Recycles Campaign:

- Work with CFCC Public Relations to develop an education campaign to include CFCC-all, intranet, newsletters, and TV monitors, social media, signage, and a video short to educate CFCC students, faculty, and staff of recycling program.
- Develop list of recyclable items to be placed at vending machine areas, cafeteria, and coffee shops as well as in .PDF format on CFCC website.
- Present the program at In Service at the start of 2018-2019 school year.

ECO Club Update: Cameron Thompson and Jose Garcia have reinitiated the ECO Club for the 2017-2018 school year. As co-presidents they plan to hold meetings the first Monday of each month in U-402 at 2:30PM. The next meeting is Monday 11/06/17 and will focus on recruiting officers and developing goals for the club to work toward for the school year.

Battery Recycling Initiative: The program continues to grow with new stations being placed in Union Station and the North Campus. To date 627 pounds have been recycled in 3 years at CFCC.

Dry Erase Marker Recycling Initiative: Jacob is collecting information to see if an initiative to recycle dry erase markers is feasible.

Meeting was adjourned at 3:00 PM
