Sustainability Committee Meeting Wednesday, March 28th (L-201) 11:00 AM

In Attendance:
Jacob Deininger, John Wojciechowski, Clarence Rogers, Alvin Coleman, and Dimitri Ioannou

Topics of Discussion:

Ongoing Business:

EarthFest:

EarthFest will be held on Wednesday, April 17th from 11am – 2pm in the Amphitheater located behind Union Station. The Sustainability Committee has a table reserved and will be placing signage and will be promoting the CFCC Sustainability Pledge. Print versions of this document will be on the table and Jacob will be adding categories to the pledge for input on future initiatives. Jacob will also be contacting David Kanoy and, if approved, placing a maintenance request to have one of the new multisort bins placed in the Amphitheater space to promote campus recycling. Jacob will produce additional materials to promote proper recycling. Jacob will place a battery recycling fixture near the table/bin. EarthFest coordinator Dimitri Ioannou will try to place the Sustainability Committee table near John Wojciechowski’s tiny house display for Sustainability Technologies program. Table & bin will be supervised from 11-2 by a combination of Jacob, John, Alvin (11-12), and any other committee members that have time available. Jacob will also contact Joe Suleyman to see if he is available and/or can provide materials from New Hanover County Environmental Management.
Recycling Data for Joe Suleyman:

Joe Suleyman has asked for any data we can provide for our campus recycling. Jacob has already emailed David Kanoy about this, but Clarence told him that he might be able to find the info himself and would look into it. If we find anything usable to help Joe with his benchmarking, Jacob will pass it along to Joe and to the Sustainability Committee.

Battery Recycling:

Jacob Deininger will again collect the batteries on the Wilmington Campus and North Campus. Jacob will report on the amount collected at the next meeting.

New Business:

No new business at this time. Again, we will be asking during EarthFest for student feedback on future Sustainability Committee initiatives.

2018-2019 Sustainability Committee Attendance:

Alvin Coleman 2 of 4 meetings
Rick Conn 0 of 4 meetings
Jacob Deininger 4 of 4 meetings
Alexandra Duncan 0 of 1 meetings
Bret Hering 2 of 4 meetings
Dimitri Ioannou 1 of 1 meetings
David Kanoy 2 of 4 meetings
Laura Moore 0 of 4 meetings
Abby Perry 0 of 1 meetings
Zachary Pluer 0 of 4 meetings
Austin Rogers 0 of 1 meetings
Clarence Rogers 3 of 4 meetings
John Wojciechowski 3 of 4 meetings

Meeting was adjourned at 11:50 AM
